Urbana City Pool Weather Guidelines

In order to ensure the safety of all of our visitors, the Urbana City Pool will operate under the following guidelines pertaining to inclement weather:

- When lightning or thunder is seen or heard, the pool will be cleared for 30 minutes. After each recurrence of thunder or lightning, the 30 minute rest period will restart. If the thunderstorms are persistent, the pool manager will close the pool.

If persistent thunderstorms result in pool closure:

- During morning swim lessons: the pool manager will re-evaluate the weather at 12 noon and determine if it is safe to open.
- During open swim from noon to 3 pm: the pool manager will re-evaluate the weather at 3:30 pm and determine if it is safe to open.
- During open swim after 4 pm: the pool will be closed for the remainder of the evening. Pool rentals will be at the manager's discretion.

If the air temperature drops below 65 degrees and the skies are overcast and/or raining, the pool office will open for information and membership sales only from 12:00 p.m. - 2:00 pm. The weather will be re-evaluated at 2:00 pm and the guidelines for thunderstorms (as listed above) will be followed.

If the weather is questionable please call the pool office at **(937) 653-6994** or visit <https://www.facebook.com/UrbanaCityPool> to find out the status of operations.
