

3 and 4 year old BITTY BASKETBALL

We will be focusing on FUNdamentals of basketball: ball handling, dribbling, shooting, and passing. We will keep the focus on fun and learning and pepper each practice with life lessons such as listening, sharing and teamwork. This “Little Dribblers” league will not be having actual games, but many opportunities to get your little ones comfortable with sports. Practices will be held:

Tuesdays 5-5:45 PM

Thursdays 6:45-7:30 PM

Saturdays 9-9:45 AM

Players are encouraged to do as many practice sessions as they'd like, but are not required to do all. Volunteer parent coaches are definitely still needed and will be assisting!
