Champaign Family YMCA

GETTING BETTER EVERY DAY

Kirsten Smith is a mom to four children under the age of ten, adjusting to single parenthood while going to school full-time for her nursing degree. Life is hectic, to say the least, but the Champaign Family YMCA is here to help. "We are always very busy," she says. "The Y has helped us a lot." Kirsten relies on the Y's daycare and before- and after-school childcare programs to help her pursue a better financial future for her family; swim lessons and youth sports help meet her children's physical and social needs. And while her schedule can be challenging, Kirsten makes time to attend group exercise classes and stay physically and emotionally strong. With the support of the Champaign Family YMCA, Kirsten hopes to maintain the health and well-being of her family for years to come.

When you donate to the Champaign Family YMCA, you make Champaign County better through programs focused on:

Youth Development

All kids deserve the opportunity to discover who they are and what they can achieve, under the guidance of caring adults who believe in their potential. We see every interaction with young people as an opportunity for learning and development - all grounded in the Y's core values of caring, honesty, respect and responsibility.

Healthy Living

We help people and families build and maintain healthy habits for spirit, mind and body in their everyday lives. By helping kids, adults, families and seniors from all walks of life improve their health and well-being, we build a stronger community.

Social Responsibility

With our doors open to all, we bring together people from all backgrounds, and support those who need us most. We take on the most urgent needs in our community and inspire a spirit of service in return. Our members, volunteers, supporters and staff demonstrate the power of what we can achieve by giving back together.
