Sponsorship Information:

The Champaign Family YMCA is a 501C (3) non-profit organization serving this community with programs building a healthy spirit, mind and body for all. We offer many recreational youth sports leagues throughout the year and depend on dozens of committed parent and community volunteers to serve as coaches, officials, coach's helpers, and more. The YMCA programs are fun and exciting while focusing on fundamentals to help participants develop character and the spirit of teamwork and fair play.

In 2022, more than 1,000 children and their families utilized the Champaign Family YMCA for basketball, indoor spring and outdoor fall soccer, summer swim, competitive swim, spring and fall volleyball, and more! We continue to look for growth program opportunities.

In working to keep our modest fees for our programs, we rely on the generosity of our Champaign County partners.

Sponsoring a team(s) will help:

- Supplement participation fees
- Offset the cost of equipment and supplies
- Provide scholarship assistance for families in need
- Help reinforce our principle of healthy living
- Support field and facility maintenance
- Provide affiliate business name awareness in our county

For more information about our sponsorship opportunities, please visit ChampaignFamilyYMCA.org. Once you join our sponsorship team, your name will be included on our website too. You may also contact Augie Martinez III at amartinez@champymca.org or 937.653.9622.

We look forward to hearing from you in supporting the Champaign Family YMCA and our area youth as we **STRENGTHEN THE FOUNDATIONS OF OUR COMMUNITY TOGETHER.**
