# SUMMER CAMP

Register Online or In-Person at the YMCA

Each week of YMCA Summer Camp brings a new theme filled with hands-on fun, friendships, and adventure.

From sports and science to art, creativity, and outdoor exploration, campers enjoy active days in a safe, supportive environment.

Campers are grouped by age, swim daily, and participate in special activities and field trips inspired by each week's theme. Join us for a summer full of confidence-building experiences and unforgettable memories.

**MEMBER REGISTRATION STARTS FEB. 16**

## CAMP STAFF

The Champaign Family YMCA hires highly qualified counselors each spring to provide excellent care and leadership for our campers throughout the summer. We blend experienced camp staff with first timers who serve as positive role models.

All staff are screened before hire with background checks and receive extensive training in YMCA policies and procedures, CPR and First Aid, and American Camp Association standards. Our team is committed to creating a safe, supportive, and positive environment where every camper can grow and thrive.
