18 - 36 months	\$190 weekly	\$229 weekly
36 - 60 months	\$180 weekly	\$210 weekly

From the Director

We encourage children to build their own interests through hands-on activities and project-based learning designed to promote healthy group dynamics and to nurture creativity. Our childcare programs offer kids a safe, wholesome environment that promotes social, physical, and academic development. Parents, meanwhile, get the peace of mind that comes from knowing their children are getting the best possible care.

We exceed the Ohio State licensing standards and we are a 5-star rated program. We accept the responsibility of ensuring the safety of your child. At the YMCA, we believe every child deserves a chance to live, grow, and thrive.

Teresa Wilkinson, Childcare Director

Nurturing the Potential of Every Child

Children are like sponges – they watch and absorb knowledge, skills, and values from everything and everyone around them.

At the Y, we believe the values and skills learned early are vital building blocks for quality of life and future success.

We offer full-time childcare and preschool programs that meet the needs of children from 6 weeks to 5 years of age. Your child will be provided age-appropriate activities and skills that will challenge and enhance his/her cognitive, language, social, emotional, physical, and creative skills, with a strong emphasis on our Y's 4 key areas: Honesty, Caring, Respect, and Responsibility.

Step Up To Quality

Step Up To Quality (SUTQ) is a five-star child care quality rating and improvement system administered by the Ohio Department of Education and the Ohio Department of Job and Family Services. SUTQ recognizes and promotes learning and development programs that meet quality program standards that exceed preschool licensing and school age child care licensing health and safety regulations.

The Champaign Family Y maintains a Five Star Rating.

Christian Curriculum

Our children participate in a Christian curriculum designed to nurture the spirit in our young children. Through Bible stories, songs and hands-on activities, our children gain knowledge about our God and the world that we live in.

Kids Fitness Program

Health and fitness are important for children to be happy and to learn and grow. Our children at the Y participate in large motor activities everyday through exercise, stretching, balance, coordination, and more!

Daycare Enrichment Programs

Your child can participate in additional enrichment programs throughout the day, such as swimming and tumbling (large motor). Parents may choose to enroll their child during daycare hours and a staff member will escort them to and from their programs.
