

- **Players AND Coaches are NOT required to wear a face covering at any time.** This is suggested only.
- Coaches will assess each player (verbally) to ensure they are not experiencing symptoms before play.
- Scorekeepers will be asked not to share books and paper copies with each other. Verbal rosters should still be given when possible - this is NOT mandatory
- Coaches will still be supplied with a sanitation spray bottle to be used only on bench or if equipment must be shared between use.
- Sharing of equipment (excluding sanitized catcher's gear) is prohibited. Players will be responsible for having their own glove, bat, and helmet. At request, the Y will provide any player a sanitized helmet for season use. The helmet will not be shared and must be returned at the end of the season. Limited "team-style" bats may be available as well.
- 6U t-ball & 8U coach pitch baseball and softball will not play with a catcher. A coach from the defensive team will be required.
- Athletes are able to use the team bench as long as they are attempting to follow 6 ft guidelines, but are encouraged to bring their own chair and set up outside the fence and dugout down their teams' base line.
- Parents are encouraged to supply their player with hand sanitizer as needed.
- 8U & 10U age groups are not required to use a sanctioned umpire.
- 12U & up, recommended that 1 sanctioned umpire be used, but exceptions may be made.
- Concessions will be limited, but plan to be open!
- Coaches are responsible for "encouraging" their team to adhere to the 6-foot mandatory guideline

Thank you for your cooperation in providing our kids a
fun and safe 2020 season!
