

- **Players AND Coaches are NOT required to wear a face covering at any time.** This is suggested only while outdoors and only mandatory when 6 ft distancing cannot be accomplished.
- Coaches will assess each player (verbally) to ensure they are not experiencing symptoms before play.
- Congregating before or after games is prohibited. Coaches should keep huddles to a minimum and spaced as necessary during drill work.
- Spectators not within the same household should adhere to the 6ft distancing guideline.
- Double-header games against multiple teams are prohibited in 2020.
- Athletes are not to share equipment, water bottles, towels, face coverings or other drinks. Goalie jerseys will **NOT** be provided in the team bag this season. Parents of players playing goalie are encouraged to bring an “off-colored” shirt or jersey to wear over top of their team jersey while in goal. These should not be shared among players.
- Athletes are able to use the team bench as long as they are attempting to follow 6 ft guidelines, but are encouraged to bring their own chair and set up down their teams’ sideline.
- Parents are encouraged to supply their player with hand sanitizer as needed.
- Concessions will **NOT** be available for 2020. Please plan accordingly.
- In our outdoor facilities, spectator limits should not be necessary unless the YMCA, Urbana City, or Champaign Health District determines 6ft guidelines are not being followed properly.
- Coaches are responsible for “encouraging” their team to adhere to the 6-foot mandatory guideline and will participate in Covid-19 education during coaches meeting.

Thank you for your cooperation in providing our kids a
fun and safe 2020 season!
