

At the Champaign Family YMCA, we believe every child deserves the chance to learn, grow, and thrive through youth sports. Throughout the seasons, over 1000 local kids and their families participate in Y programs like basketball, soccer, volleyball, swim team, and more! These programs teach life skills, build confidence, and create lasting memories, all while promoting healthy living and community connection.

But we can't do it alone!

As a 501(c)(3) non-profit, the Y relies on the support of community partners to keep registration fees affordable, maintain safe facilities, and provide scholarships to families who need them most. That's where **your business** can make a meaningful impact — *and get something great in return!*

Why Sponsor a Team or Program?

Your sponsorship does more than support kids, it puts your brand in front of hundreds of local families and neighbors. Here's how:

1. **Your Business Name or Logo** on team jerseys worn by kids all season and school year
2. **Recognition on printed and online schedules**, posted and shared with families
3. **Shout-outs on the YMCA's social media** and website with thousands of followers
4. **Your name displayed in the YMCA lobby** as a valued sponsor
5. **Mentions during games and end-of-season acknowledgments**
6. **A meaningful connection with families** who support those who support the Y

Whether you're a small business, a local franchise, or a proud community member, your sponsorship shows that you care about building a stronger Champaign County, and that your business is rooted in giving back.

As Always, Your Support Helps:

- Offset the cost of uniforms, balls, and equipment
- Provide scholarships for kids in financial need
- Support volunteer coaches and referees
- Promote healthy habits and teamwork in our youth

We would be honored to partner with you this season. A sponsorship form is enclosed with more details and options. If you have any questions or want to customize your involvement, I'd love to chat.

Thank you for considering this opportunity to invest in both our youth and your brand.
